

CASA

EDITERRAN
RESTAURANT & BAR

English

A warm welcome to **CASA-M** !

For us our kitchen is passion in a palpable form. Passion for the good and honest things taken from nature. We want to unite these things in our dishes and cast a spell over our guests with this magic of nature and cuisine.

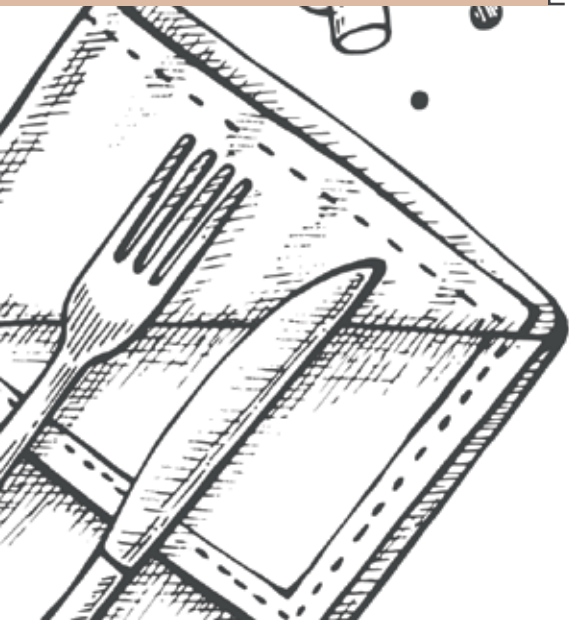

Last but not least, our restaurant impresses with its great location between the mountains and Lake Wolfgang. This will care for anticipation and a very definite flair even before eating.

We look forward to your visit - let yourself be enchanted by us!
